NATIONAL FINAL EVENT

Selected individuals at the Regional Qualifying Events will be invited by the Event Hosts to compete in the National Final Event. Only such invited individuals may participate in the National Final Event.

SUBMISSIONS

For the avoidance of doubt, your Entry Form and your Participant Release is your submission to all Events (“Submission”), which includes both the Regional Qualifying Event and the National Final Event, should you advance. To be valid, your submission must be complete and received before the start of the Selected Event in which you are participating.

Limit of one Submission per person. For greater clarity, an individual may only apply to one of the Regional Qualifying Events. Once a person has chosen an Event location as their Selected Event, their Submission will only be considered for that Selected Event. If an athlete would like to change their Selected Event he/she should email rbctrainingground@olympic.ca within one week of their original Selected Event.

“Your Content” is the content you submit in connection with the Event. You declare that Your Content is true, original, accurate, legal, and respects the rights of third parties, particularly with regard to compliance with copyright, rights to image, reputation and privacy, the Criminal Code and any other legislation applicable in such matters.

By submitting Your Content, you grant the Event Hosts a royalty-free, perpetual, non-exclusive, irrevocable, unrestricted, worldwide license to publish, reproduce and distribute Your Content in all media, on all digital platforms and by any other means of communication controlled or authorized by the Event Hosts for the purpose of administering the Event.

2. ELIGIBILITY

REGIONAL QUALIFYING EVENT

The Regional Qualifying Events are open to all Canadian citizens and/or permanent residents between 14 – 25 years of age as of the date of their Selected Event. Applicants must be able and willing to attend and participate fully in the Selected Event, including the full range of Regional Qualifying Event Exercises (as defined below).

NATIONAL FINAL EVENT

Only Regional Qualifying Event participants who are selected from a Regional Qualifying Event and who are able and willing to attend and participate fully in the National Final Event, including the full range of National Final Event Exercises (as defined below) will be eligible to participate in the National Final Event.

3. HOW TO QUALIFY

(a) REGIONAL QUALIFYING EVENT

Regional Qualifying Events will be held in 6 Regions across Canada.

Each eligible individual will attend and participate in the Selected Event by performing certain physical activities (as determined by the CBC, COC/COF, the participating NSF(s), their affiliates, as well as their respective directors, officers and employees), which may include but is not limited to a 30 metre running sprint, vertical jump, isometric mid-thigh pull and beep test (the “Regional Qualifying Event Exercises”). Each individual will be evaluated based on various performance measures for each Regional Qualifying Exercise (the “Regional Event Performance Results”).

After the close of all Regional Qualifying Event periods, the Regional Event Performance Results for each individual will be reviewed by the Event Hosts and up to 100 individuals with the highest Regional Event Performance Results will be offered the opportunity to attend and participate in the National Final Event provided they have complied with all requirements under these Event Rules. The Event Hosts reserve the right to increase or decrease the number of opportunities offered, in their sole discretion.

Selected individuals will be contacted by telephone or by e-mail (using information provided by the individual in his/her Entry Form for the Event), and such individual must advise of his/her intention to attend the National Final Event by no later than 5 business days after the time her/she is initially contacted (i.e. time email was sent, time voicemail was left). If a selected individual cannot be reached within 5 business days following the first attempt of contact, declines the invitation or is otherwise unable to attend and participate in the National Final Event, fails to provide any necessary or requested documentation or otherwise fails to comply with these Event Rules, the offer will be forfeited and the Event Hosts shall have the right, in their sole discretion, to select another individual to attend the National Final Event.

The Event Hosts have no obligation to notify or contact unsuccessful individuals. The Event Hosts are not liable for any loss of opportunity as a result of not being able to contact an individual by phone or email.

(b) NATIONAL FINAL EVENT

Each individual selected from the Regional Qualifying Event will have the opportunity to attend and participate in the National Final Event and perform certain physical activities (as determined by the Event Hosts), which may include but is not limited to a 40 metre running sprint, single broad jump, standing triple jump, 6-second bike sprint, arm leg bike and concept 2 dynamometer (the “National Final Event Exercises”). Each individual will be evaluated based on various

performance measures at each National Final Event Exercise (the “National Final Event Performance Results”).

An advisory board consisting of members from the Canadian Olympic and Paralympic Sport Institute network and the COC will determine the athletes selected for funding each year. These selections will be based on a number of factors, including but not limited to: athlete performances in all Events and additional testing in the applicable year (Regional Qualifying Event, sport-specific testing, National Final Event) as well as input and any separate evaluation provided by NSF program partners.

As a result of each individual’s participation in the Events and any additional testing, individuals may receive the following offers from one of the Event Hosts or from a participating NSF:

- An invitation for further testing by one or more participating NSF(s); and
- If signed by a participating NSF, eligibility to receive funding from RBC delivered in the form of services provided by the applicable NSF to facilitate participation in the RBC Training Ground for competition, daily training, equipment, nutrition, sport science and/or coaching, all subject to signing and complying with an agreement for such athlete participation in the RBC Training Ground with the COC/COF (and applicable NSF).

Offers and agreements made between individuals and a NSF, RBC or the COC/COF do not bind other Event Hosts and each participant is solely responsible for their own negotiation and acceptance of such offers. The RBC Training Ground Event Parties (defined below) are not jointly or severally liable for any actions of the other parties and offers made by one of the RBC Training Ground Event Parties and accepted by an individual will be as between that individual and the RBC Training Ground Event Party making the offer.

Refusal or inability to accept an offer releases the RBC Training Ground Event Parties from any obligation to the individual.
